

REMARKS

Applicants respectfully request consideration and allowance of claims 1-40 which are pending in the above-identified application. Applicants have amended claims 20 and 22 herein.

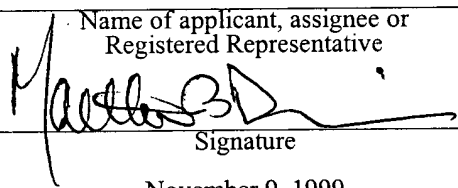

In numbered paragraph 1 of the Office Action, the Examiner objected to the application under 37 C.F.R. §1.172(a) as lacking the written consent of all Assignees. Applicants submit that the Examiner's objection is in error because an ASSENT OF ASSIGNEES TO REISSUE PURSUANT TO 37 C.F.R. §1.172 was filed with the instant application on January 9, 1997 (copy enclosed including postcard). Accordingly, Applicants submit that the Examiner's objection should be withdrawn.

In numbered paragraph 2 of the Office Action, the Examiner stated that a letter requesting that the Patent drawings be transferred to the reissue patent should be filed. Accordingly, Applicants submit herewith a letter requesting that the drawings be transferred to the reissue application pursuant to C.F.R. §1.174.

In light of the foregoing, Applicants submit that the instant claims are in condition for allowance. Early and favorable action is earnestly solicited.

I hereby certify that this correspondence is being deposited with the United States Postal Service as first class mail in an envelope addressed to: Asst. Commissioner for Patents, Washington, D.C. 20231, on November 9, 1999
